

Thea Foss Collection

Modern Urban Furniture | Reversible Back Bench

Materials: **Mild Steel, Ductile Cast Iron and Wood/Recycled Plastic**

The Thea Foss bench was designed as a solution to allow visitors on the Thea Foss waterway esplanade to see Tacoma's Museum of Glass or the scenic Thea Foss waterway in Tacoma, WA. This reversible back bench is great for public places that have points of interest on both sides. This unique, movable back bench allows the user to face either direction by simply moving the back of the bench.

Shown with optional galvanized Interior Frame

- Ductile Cast Iron end frames
- Available in Boulevard™ Thermally-Modified wood. Other wood options include Ipe, Douglas Fir, Red Cedar and recycled plastic lumber
- Easy reversible back for viewing on both sides of the bench
- Thea Foss Collection benches are available as surface mount or freestanding
