

Plaza Collection

Classic Benches, Tables, Receptacles and Recyclers

Materials: **Mild Steel**

With classic beauty and durability, our Plaza Collection offers a selection of steel strap benches to blend in various environments. All Plaza Benches are fabricated with steel straps and offer a range of end frame construction, backed or backless benches with vertical or horizontal straps. The Plaza Collection also features complementary trash or ash receptacles, and picnic tables.

Plaza Trash Receptacles and Recyclers

Plaza Collection receptacles provide an attractive solution to litter control in public places. The flared top trash receptacles are fabricated with 1-1/2" steel straps and simple clean lines to match the Plaza benches. Plaza Collection receptacles come in many decorative configurations, and may feature hinged side-opening doors, rain shield tops, or pedestal bases. Ask your Tournesol Siteworks salesperson for details.

Complementary Plaza Ash Receptacles

Plaza Collection also includes complementary Plaza tables available in 37" square top tables or 6' to 8' rectangular tables. Many are available with optional surface and embed styles. See the Plaza Collection tables detail sheet for more complementary options.

Ask about our custom branding options. From inlaid sponsor plaques on seat sections to custom laser-cut logos on bench end frames and on trash receptacles, the Plaza Collection offers a variety of options for specific applications. Ask your Tournesol Siteworks salesperson for details.
