TANGENT™ RAIL SEATING

PRODUCT DATA

Tangent Rail Seating offers a clean design aesthetic, the durability of die-cast aluminum, and the versatility that comes with a wide range of seat, rail and leg options. Built to last in high-traffic public settings, Tangent is ideal for corporate campuses, healthcare facilities, colleges and universities, transportation hubs and more.

MATERIAL & CONSTRUCTION DETAILS

CONFIGURATIONS
<ul style="list-style-type: none"> • Straight configurations of Tangent Rail Seating are available with one, two, three, four, or five seats. • Custom articulating configurations of Tangent Rail Seating are available, see examples shown on page 5; please contact us for details. • All configurations are available with backed or backless seats.

SEAT OPTIONS
<ul style="list-style-type: none"> • Backed and backless seats are available in three material options. • FSC® 100% Ipé hardwood slats offer superior resistance to moisture, insects, fire, vandalism and decay; natural oiled finish enhances the wood's rich color. (FSC License Code: FSC-C004453) • Extruded aluminum slats are powdercoated. • Stainless steel seat pans are available in three stainless steel finishes or can be powdercoated. Stainless steel seat pans have three standard perforation pattern options, or can be specified with no pattern, as shown below. • See the Forms+Surfaces Powdercoat Chart for details. Custom RAL colors are available for an upcharge.

FRAME
<ul style="list-style-type: none"> • Seat frames and connection castings are made of die-cast aluminum and stainless steel; rails and legs are made of extruded aluminum. All frame components have a powdercoat finish. • See the Forms+Surfaces Powdercoat Chart for details. Custom RAL colors are available for an upcharge. • Due to the inherent nature of metal castings, gloss powdercoats are not offered for cast components.

LEG OPTIONS
<ul style="list-style-type: none"> • Hexagonal post legs are available as surface mount or cast-in-place. • "A" legs are available as freestanding or surface mount, and are available for straight configurations only.

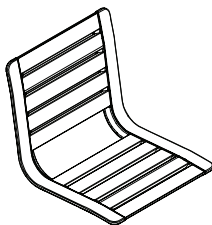

OPTIONAL INTERMEDIATE ARMRESTS
<ul style="list-style-type: none"> • Optional intermediate armrests may be placed between seats and are made of die-cast aluminum with a powdercoat finish to match the frame components. • Straight configurations of Tangent Rail Seating use one intermediate armrest between each seat and no end armrests. • Custom articulating configurations of Tangent Rail Seating use an armrest to the right of each seat and at each end.

INSTALLATION & MAINTENANCE

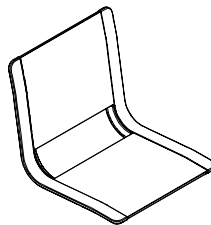

INSTALLATION
<ul style="list-style-type: none"> • Tangent Rail Seating can be surface mounted, cast in-place or freestanding. • Surface mounted post leg models include cast aluminum mounting feet, anchors and stainless steel mounting screws. • Surface mounted "A" leg models include a stainless steel mounting foot.

MAINTENANCE
<ul style="list-style-type: none"> • Metal surfaces can be cleaned as needed using a soft cloth or brush with warm water and a mild detergent. Avoid abrasive cleaners. • Ipé hardwood slats can be maintained by re-oiling as needed with Penolin® hardwood finish or similar products.

TANGENT™ RAIL SEATING

PRODUCT DATA

EXAMPLE ARTICULATING RAIL CONFIGURATIONS

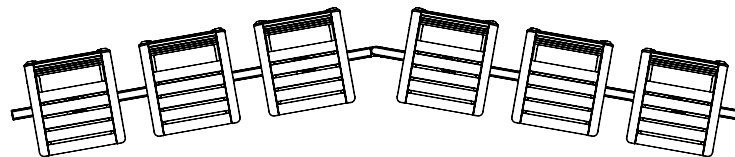

The rail can be articulated to a maximum inward angle of 20° and a maximum outward angle of 45°. Please contact us for details on your specific project. The examples shown are just a starting point; all custom articulating configurations are available with backed or backless seats and any seat material option.

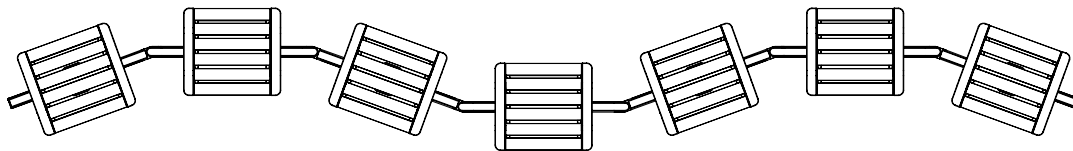

5 backed seats with 6 armrests and 4 points of articulation.

8 backless seats with 8 points of articulation.

6 backed seats with 1 point of articulation.

7 backless seats with 6 points of articulation.

TANGENT™ RAIL SEATING

PRODUCT DATA

ENVIRONMENTAL CONSIDERATIONS

- Please refer to the Tangent Rail Seating Environmental Data Sheet for detailed environmental impact information.
- Tangent Rail Seating aluminum frames have a high recycled content.
- All Tangent Rail Seating metal components are fully recyclable.
- All Tangent Rail Seating wood is FSC® 100%.
- Standard powdercoat finishes are no-VOC; non-standard powdercoat finishes are no- or low-VOC, depending on color.
- Low maintenance; easy to disassemble.

MODEL NUMBERS AND DESCRIPTIONS

MODEL	DESCRIPTION
SRTAN-1BA	Tangent Rail Seating, Straight, 1 backed seat, aluminum slats
SRTAN-1BW	Tangent Rail Seating, Straight, 1 backed seat, Ipé slats
SRTAN-1BS	Tangent Rail Seating, Straight, 1 backed seat, stainless steel seat pan
SRTAN-2BA	Tangent Rail Seating, Straight, 2 backed seats, aluminum slats
SRTAN-2BW	Tangent Rail Seating, Straight, 2 backed seats, Ipé slats
SRTAN-2BS	Tangent Rail Seating, Straight, 2 backed seats, stainless steel seat pans
SRTAN-3BA	Tangent Rail Seating, Straight, 3 backed seats, aluminum slats
SRTAN-3BW	Tangent Rail Seating, Straight, 3 backed seats, Ipé slats
SRTAN-3BS	Tangent Rail Seating, Straight, 3 backed seats, stainless steel seat pans
SRTAN-4BA	Tangent Rail Seating, Straight, 4 backed seats, aluminum slats
SRTAN-4BW	Tangent Rail Seating, Straight, 4 backed seats, Ipé slats
SRTAN-4BS	Tangent Rail Seating, Straight, 4 backed seats, stainless steel seat pans
SRTAN-5BA	Tangent Rail Seating, Straight, 5 backed seats, aluminum slats
SRTAN-5BW	Tangent Rail Seating, Straight, 5 backed seats, Ipé slats
SRTAN-5BS	Tangent Rail Seating, Straight, 5 backed seats, stainless steel seat pans
SRTAN-1LA	Tangent Rail Seating, Straight, 1 backless seat, aluminum slats
SRTAN-1LW	Tangent Rail Seating, Straight, 1 backless seat, Ipé slats
SRTAN-1LS	Tangent Rail Seating, Straight, 1 backless seat, stainless steel seat pans
SRTAN-2LA	Tangent Rail Seating, Straight, 2 backless seats, aluminum slats
SRTAN-2LW	Tangent Rail Seating, Straight, 2 backless seats, Ipé slats
SRTAN-2LS	Tangent Rail Seating, Straight, 2 backless seats, stainless steel seat pans
SRTAN-3LA	Tangent Rail Seating, Straight, 3 backless seats, aluminum slats
SRTAN-3LW	Tangent Rail Seating, Straight, 3 backless seats, Ipé slats
SRTAN-3LS	Tangent Rail Seating, Straight, 3 backless seats, stainless steel seat pans
